Information to REACH-Regulation (EC) no. 1907/2006

Dear customer,

as a downstream user, Sandermarine GmbH&Co.KG produces products within the meaning of regulation (EC) no. 1907/2006 (REACH).

Pursuant to article 33 of this regulation, we hereby inform you that our products contain components containing more than 0.1% lead (CAS number: 7439-92-1).

Metallic lead is firmly bound as an alloy component. There is no risk associated with the handling, use or recycling of our products.

If you have any further questions about the implementation of the REACH regulation in our company, we are always at your disposal.

Best regards

Sandermarine GmbH&Co.KG
